

Main Street Dodge City

Main Street Dodge City is a non-profit organization that was established in 2010 to help revitalize the downtown area. In July, they were designated as a Kansas Main Street Community. Main Street Dodge City is looking for one student to help with some of the revitalization efforts this summer, such as working on the design of buildings, bringing in new businesses and hosting events to help bring more people downtown. This individual will primarily be the key person in helping with the organization and planning of the Multicultural Festival, membership campaign, and other events throughout the summer. Additional duties would be assistance with website development, fundraising, business development and partnering with local media.

Time Commitment:

The student will work 20 hours a week for the month of June, 2011.

Incentive:

Upon completion of the four weeks, the individual will receive \$500 in Chamber Bucks. These certificates can be used at any business that is a member of the Dodge City Area Chamber of Commerce.

Additional Requirements:

In addition to filling out the online application, students should also be prepared to provide their resume and attend an in-person interview if their application is selected.
